

Absolute Dissent

Killing Joke

I won't relent

I oppose poison water
I reject poison air
I expose poison bodies
I refuse complicity
I reject this prison planet
I reject and resent

Absolute dissent
I won't relent

I abhor space weaponization
Genocidal plans
From Jeckle Island to Chemtrails
Unelected control
I reject this poison planet
I reject and resent

Absolute dissent
I won't relent

Brainwashed masses fit for fodder
Useless eaters - condemn
Eradicate the worthless breederds
I oppose, resist, foment

I reject this poison planet
I reject and resent

Absolute dissent
I won't relent
