

## Chapter III

### Killing Joke

Attack behind attack  
A war behind a war  
Wise thoughts to broad horizons  
A nation, the very least  
Such simplicity, advance to find myself  
He didn't see such simplicity  
Hope is for the loser  
Certainty to be  
Pleasure of the winner  
Certainty to be  
Take now or stay the same!  
Attack behind attack
