Struggle

Killing Joke

Understanding the meaning of struggle Giving your whole life to a single passion Which others may or may not Consider obsolete

Like a rare flower Seen by a few before it withers and dies (before it withers and dies) Seeing it all All the way through the very end Regardless

A full stop followed by an exclamation mark Written in your flesh and blood Getting knocked down every time Getting knocked down every moment you get up - until you love getting up

I know what you've been going through I've been there too God knows I've been pushing hard Pushing so damn hard -I've forgotten what the hell I'm even -Pushing for Recognize it when it happens to you Learn to recognize it and know what to do Stop clinging on, let go, own nothing Do it out of love Do it out of love

Words cannot substitute Losing everything Losing your home Losing your money Your dignity Losing your mind - your beliefs, ideals Then and only then When everything is gone You no longer care Your soul standing naked and bare Stripped down to the truth Then you'll find everything On heaven and earth On heaven and earth On heaven and earth

The struggle is long The struggle is hard The struggle is beautiful
