

I Worship

Kim Burrell

You call I come
You speak I hear
I lift my hands
I worship
Your will be done
Your word obey
I lift my voice
I worship

Your presence, Lord
Now in this place
We reverence you with worship
Just the thought if you
Takes my breathe away
You're amazing and I'm here to worship

You call I come (here I come)
You speak I hear (I hear you speaking Lord)
I lift my hands (I lift my hands)
I worship (and I worship you)
Your will be done (your will be done)
Your word obey (I'm gonna obey)
I lift my voice (I lift my voice)
I worship (to worship)

You're... an
Holy Lord
Ain't nobody like you
You're an awesome God and
That's why we worship
You're the righteous king
And you're the lover of our souls
The giver of life
And right now we worship

Oh holy one (you are the holy one)
The great I am (you are the great I am)
My melody (you are my melody)
In the midnight hour (in the midnight hour)
I lift my hands in total praise

For you're excellence and greatness
You're the mighty God

With all that I have
I worship
All I have
Oh God
I love you and I praise you
I bless your name my God

I worship (I worship)
I worship you (I worship)
You're my redeemer (I worship you)
And I worship you

No one else can do me like you

I give you my heart

I give you everything
Lord have your way
Have your way in me Lord
You know that I love ya
You know I need you
