

# Riotgirl

Kim-Lian

They say that I'm a bad girl  
I don't really care  
Cause in my own world  
it's okay to be weird  
I'm not a cute little baby  
maybe I don't fit into your fake world  
Not looking for attention  
stop staring at me  
hey what's your problem  
do you hate what you see?

don't push me around  
and around  
bring me down  
not gonna let you

you don't know me  
I can tell  
I'm raising hell!

Cause I'm a riot girl  
you don't wanna mess with me  
I'm getting physical  
listen to me carefully  
I'm a riot girl  
you don't wanna drive me crazy

yeah I'm a riot girl  
you don't like my attitude  
it's getting critical  
gotta get away from you  
I'm a riot girl  
you don't wanna drive me crazy

I have to make a statement  
i'm not breaking the rules  
I didn't make them  
now you are fools  
don't you push me to hard  
you are going to far  
I'm gonna lose it!

yeah  
you don't know me  
I can tell  
i'm raising hell!  
cause i'm a riot girl  
you don't wanna mess with me  
i'm getting physical  
listen to me carefully  
I'm a riot girl  
you don't wanna drive me crazy  
yeah i'm a riot girl  
you don't like my attitude  
it's getting critical  
gotta get away from you  
i'm a riot girl

you don't wanna drive me crazy

they say i'm a riot girl  
i'm crashing  
i'm burning up  
cause i'm a riot girl  
you don't wanna mess with me  
i'm getting physical  
listen to me carefully  
i'm a riot girl  
you don't wanna drive me crazy  
yeah i'm a riot girl  
you don't like my attitude  
it's getting critical  
gotta get away from you  
i'm a riot girl  
you don't wanna drive me crazy

they say that i'm a riot girl (repeat 3 times)
