

## Called Off

Kim Mitchell

calling out of London trying to save my life  
heaven knows that i love her it's in my eyes  
but she's calling this love off on account of a bruise  
the loose talk and lies from her friends

'bout the women  
'bout the bedrooms  
'bout the booze

there are some things you can't tell to a woman  
there are some things you can't do to a man  
there are some things you can't tell to a woman  
there are some things you just don't do to a man

you can lose most of your mind  
being a player on the road  
it feels so good when i get back home  
but she's calling this love off on account of a bruise  
cause of the loose talk and lies from her friends

there are some things you can't tell to a woman  
there are some things you can't do to a man  
there are some things you can't tell to a woman  
there are some things you just don't do to a man
