That's A Man

Kim Mitchell

He's got ??? eyes like burning embers He's looking for relief, going faster double-blind His reputation is getting loud, yes Woah That's a man Well, that's a man That's a man That's the best part of a man That's the best part of a man You know he's having trouble saying yes to his woman on the tel ephone 'Cause he's got another woman waiting on the other line And he sits in public places getting loud, yes Woah That's a man Well, that's a man That's a man That's the best part of a man That's the best part of a man That's a man Yeah, that's the best part of a man That's a man That's the best part of a man That's the best That's the best part of a man
