

# Broken

Kim Petras

You made it hurt too much  
Hope you got, hope you got  
Everything you want  
Pray to God, pray to God  
That she leave you broken, broken (Hearted)  
Like you left me broken, broken (Hearted)

So much for the love  
Hope she got, hope she got  
Everything I'm not  
Pray to God, pray to God  
That she leave you broken, broken (Hearted)  
Like you left me broken, broken (Hearted)

You cut me open, I cried oceans  
All I wanted was devotion  
Now I got nothing  
Hope you happy with your new bitch  
How you livin'?  
I'm in Paris in my Jacob's, life's amazing  
When she leave you for your best friend  
That shit karma  
When you see me with my new dude  
That's a come up  
Yeah, you used to have the baddest, lookin' lavish  
Dipped in carats  
Only want me back when you can't have me

I used to do it all for you  
I used to give it all to you

You made it hurt too much  
Hope you got, hope you got  
Everything you want  
Pray to God, pray to God  
That she leave you broken, broken (Hearted)  
Like you left me broken, broken (Hearted)

So much for the love  
Hope she got, hope she got  
Everything I'm not  
Pray to God, pray to God  
That she leave you broken, broken (Hearted)  
Like you left me broken, broken (Hearted)

You don't even know what you did to me  
Tears fall like rain, man  
You were my all baby, literally  
I just can't take it  
Couldn't eat, sleep for days  
And my mind going four ways  
Bottle of Jack half-empty  
In and out of bed, sitting in the hallway  
You don't know the tears that I cried  
You don't want to see my dark side  
And my mind going psycho  
Hate or love for you, is it my time

Friends thought I was insane  
Almost took your name  
I just gotta do to you what you did to me  
At night when I pray

I used to do it all for you  
I used to give it all to you

You made it hurt too much  
Hope you got, hope you got  
Everything you want  
Pray to God, pray to God  
That she leave you broken, broken (Hearted)  
Like you left me broken, broken (Hearted)

So much for the love  
Hope she got, hope she got  
Everything I'm not  
Pray to God, pray to God  
That she leave you broken, broken (Hearted)  
Like you left me broken, broken (Hearted)

Every day I hope you're broken hearted  
Every night I hope you're broken hearted  
Every day I hope you're broken hearted  
Yeah, broken hearted
