

# Tell Me It's a Nightmare

Kim Petras

Tell me how we got here  
I see you, but you're not there  
Try to save ya, warn ya, keep you alive  
Try to stop ya, but you paid the price  
Tell me it's a nightmare  
And you ain't going nowhere  
Try to save ya, warn ya, keep you alive  
Try to stop ya, but you paid the price

Should've seen it coming baby  
Should've seen it in my eyes  
It's not like I never told ya  
Shouldn't come as a surprise  
You were high on the adrenaline  
But you always wanted more  
I'm a demon in the shadows  
And you stepped into the dark

I confessed this, I can't stop  
I'm possessive, I chew you up  
You took everything I gave you  
But you always wanted more  
(Be careful what you wish for)

Tell me how we got here  
I see you, but you're not there  
Try to save ya, warn ya, keep you alive  
Try to stop ya, but you paid the price  
Tell me it's a nightmare (tell me it's a nightmare)  
And you ain't going nowhere (and you ain't going nowhere)  
Try to save ya, warn ya, keep you alive  
Try to stop ya, but you paid the price (yeah)

It's running through my veins  
And it's everything I touch  
Be careful when you love me  
I'm only out for blood  
You know I'd be the end of you  
But you always wanted more  
(Be careful what you wish for)

Tell me how we got here (tell me how we got here)  
I see you, but you're not there (I see you, but you're not there)  
Try to save ya, warn ya, keep you alive  
Try to stop ya, but you paid the price  
Tell me it's a nightmare (tell me it's a nightmare)  
And you ain't going nowhere (and you ain't going nowhere)  
Try to save ya, warn ya, keep you alive  
Try to stop ya, but you paid the price  
You paid the price

La-la-la, la-la-la  
La-la-la, la-la-la  
La-la-la, la-la-la  
La-la-la, la-la-la  
La-la-la, la-la-la  
La-la-la, la-la-la

La-la-la, la-la-la  
La-la-la, la-la-la  
Whoo, ah!
