

# Me And You

Kim Richey

I could say I didn't love you  
You could say you never cared  
We'd both know that isn't true

Me and you  
Me and you

I don't let too much get to me  
I shake it off like rain  
I've raised the glass in memory to

Me and you  
Me and you  
Me and you

Seems like the things got rough  
Oh, it wasn't good enough  
Oh, I tried to patch things up  
Alas, we have to hold on to

Me and you  
Me and you  
Me and you

We could shuffle through reasons  
Why bother keepin' score  
We got blame enough for two

Me and you  
Oh, me and you  
Me and you
