I could say I didn't love you You could say you never cared We'd both know that isn't true

Me and you Me and you

I don't let too much get to me
I shake it off like rain
I've raised the glass in memory to

Me and you Me and you Me and you

Seems like the things got rough Oh, it wasn't good enough Oh, I tried to patch things up Alas, we have to hold on to

Me and you Me and you Me and you

We could shuffle through reasons Why bother keepin' score We got blame enough for two

Me and you
Oh, me and you
Me and you
