

# Thorn in My Heart

Kim Richey

Come to my house in the middle of the night  
Are you looking for love, are you looking to fight?  
I should know better, but I'm not that smart  
Are you always gonna be a thorn in my heart?

Thorn in my heart, thorn in my heart  
Are you always gonna be a thorn in my heart?

I'll carry the weight of the world for you  
No matter how far you ask me too.  
I fighting a battle with the undertow  
It's hard to hold your hand when you letting go!

Hard to hold your hand, hard to hold your hand  
Hard to hold your hand when you're letting go!  
Hard to hold your hand, hard to hold your hand  
Hard to hold your hand when you're letting go!  
Uh, uh, uh, uh

So you stand between rock and stone  
It's a long way down that's getting on.  
I will always love you, but you make it so hard  
Are you always gonna be a thorn in my heart?

Thorn in my heart, thorn in my heart  
Are you always gonna be the thorn in my heart?  
Thorn in my heart, thorn in my heart  
Are you always gonna be a thorn in my heart?  
Uh, uh, uh, uh
