

I've Got My Love To Keep Me Warm

Kimberley Locke

The snow is snowin'
Wind is blowin'
But I can weather the storm
What do I care how much it may storm?
I've got my love to keep me warm

I can't remember
A worst December
Just watch those icicles form
What do I care if icicles form?
I've got my love to keep me warm

Off with my overcoat
Off with my gloves
I need no overcoat
I'm burning with love

My heart's on fire
The flame grows higher
So I will weather the storm
What do I care how much it may storm?
I've got my love to keep me warm

Oh what do I care
Off with my overcoat
Off with my gloves
I need no overcoat
I'm burning with love

My heart's on fire
The flame grows higher
So I will weather the storm
What do I care how much it may storm?
I've got my love to keep me
I've got my love to keep me
I've got my love to keep me warm

Baby, it's cold outside
