

Itchy Nite

Kimberley Locke

You've got a buggy bite
An itchy itchy bug bite
But it's gonna be all right

A bug buggy bug bite
Buggy buggy bug bite
It's gonna be alright

You've got a mosquito bite
An itchy itchy bug bite
But it's gonna be all right

You've got a 'squito bite
An itchy scratchy 'squito bite
But it's gonna be alright

You've got a bee bite
A stingy buzzy bee bite
But it's gonna be all right

You got a spidey bite
A sneaky spider spidey bite
But it's gonna be alright

If it's not a buggy bite,
It might be poison ivy YIKES
It's gonna be alright

Bug buggy bug bite
Buggy buggy bug bite
It's gonna be alright

It's gonna be alright

It's gonna be, it's gonna be, it's gonna be alright
It's gonna be, it's gonna be, it's gonna be alright
It's gonna be, it's gonna be, it's gonna be alright
It's gonna be, it's gonna be, it's gonna be alright
