

Lullaby

Kimberley Locke

Lullaby and goodnight
Lay down, my child
Soft and warm is your bed
Close your eyes and rest your head
Dream of peace when you sleep
And tomorrow you wake
Dream of peace when you sleep
Then tomorrow you wake

Guten Abend, gute Nacht
Leg dich in, mein Kind
Weich und warm bist du [?]
Schließen Sie die Augen
Ruhe deinen Kopf friedlich
Träume dann Morgen [?]
Ruhe deinen Kopf friedlich
Träume dann Morgen [?]

Good evening, good night
Your loved ones are near you
Who show you in your dreams
A place of love serene
Sleep now blissfully and sweetly
Sleep now blissfully and sweetly
