

We Need A Little Christmas

Kimberley Locke

Haul out the holly
Put up the tree before my spirit falls again
Fill up the stocking
I may be rushing things, but deck the halls again now

For we need a little Christmas
Right this very minute
Candles in the window
Carols at the spinet
Yes, we need a little Christmas
Right this very minute
It hasn't snowed a single flurry
But Santa, dear, we're in a hurry

So climb down the chimney
Put up the brightest string of lights I've ever seen
Slice up the fruitcake
It's time we hung some tinsel on that evergreen bough

For I've grown a little leaner, grown a little colder
Grown a little sadder, grown a little older
And I need a little angel sitting on my shoulder
I need a little Christmas now

But we need a little Christmas
Right this very minute
Candles in the window
Carols at the spinet
Yes, we need a little Christmas
Right this very minute
We need a little Christmas now

Hey Santa, what do you got in that bag?
