

# Falling Slowly

Kimberley Walsh

I don't know you  
But I want you  
All the more for that

Words fall through me  
And always fool me  
And I can't react

And games that never amount to more  
Than they're meant  
Will play themselves out

Take this sinking boat  
And point it home  
We still got time  
Raise your hopeful voice  
You have a choice  
You've made it now

Falling slowly  
Eyes that only  
And I can't go back

The nodes that take me  
And erase me  
And I'm painted black

Well you have suffered enough  
And war with yourself  
It's time that you won

Take this sinking boat  
And point it home  
We still got time  
Raise your hopeful voice  
You have a choice  
You've made it now

Falling slowly  
Sing your melody  
I'll sing along

Now you're gone  
Now you're gone  
Now you're gone

I pay the cost too late  
I'm gone
