

Someone To Watch Over Me

Kimberley Walsh

There's a saying old
Says that love is blind
Still we're often told
Seek and thee shall find

So I'm gonna seek a certain lad
I've heard it might

Looking everywhere
Haven't found him yet
He's the big affair
I cannot forget

Only man I ever think of
With regret

I'd like to add his initials
To my monogram
And tell me where is the shepherd
For this lost lad

There's a somebody I'm longing to see
I hope that he turns out to be
Someone who'll watch over me

I'm a little lamb who's lost in the wood
I know I could always be good
To one who'll watch over me

Although he may not be the man
Some girls think of as handsome
To my heart he carries the key

Won't you tell him please to put on some speed
Follow my lead , oh how I need
Someone to watch over me
