

Hotter Without You

Kimberly Caldwell

You held me down
You made me look like a different person
The status is up
Out of clearly good view
I took all the pics of you and me
The memories
And cut you out for good
Who's laughing now?
I want to know

'Cause, baby, I'm so much hotter without you now that we're done
It feels so good to breathe and know that I can do what I want
I'm better off
Tonight, 'cause I'm alive and fine
And in the end I don't care 'cause I know
I'm hotter without you, yeah, yeah

I thought it'd be hard
I thought it'd take long
I'm so over it
Thanks to you I found the best of me
Now that we are history, and I am free, from all your lies
So guess who's laughing now
You're on your own
Oh

'Cause, baby, I'm so much hotter without you now that we're done
It feels so good to breathe and know that I can do what I want
I'm better off
Tonight, 'cause I'm alive and fine
And in the end I don't care 'cause I know
I'm hotter without you, yeah, yeah

And all this time you never made me happy
I don't know what I saw in you
And all the games you played
Now you lose
You lose

Baby, I'm so much hotter without you now that we're done

'Cause, baby, I'm so much hotter without you now that we're done
It feels so good to breathe and know that I can do what I want
I'm better off
Tonight, 'cause I'm alive and fine
And in the end I don't care 'cause I know
I'm hotter without you, yeah, yeah

Oh, oh, oh, oh, oh

Now that we're done
We are done
We're so done
I'm hotter without you, yeah, yeah
