

# Gone

Kina Grannis

Stop in the dark where the stars are still shining on me  
Go with the wind, let it lift away the memories  
I tried to set you free  
You kept trying to rescue me  
But you can't tell a heart when to start, how to beat

I never wanted to say goodbye  
You never wanted to see me cry  
Now I'm afraid to open my eyes  
Are you gone, gone, gone?  
Tell me I'm wrong, wrong, wrong  
It's been so long, long, long  
Are you gone, gone, gone?

Back at the start we were the only thing that mattered  
And we smiled, unafraid, as we filled the night with laughter  
And I Tried my best to see  
What you tried your best to be  
But you can't tell a heart when to start, how to beat

I never wanted to say goodbye  
You never wanted to see me cry

Now I'm afraid to open my eyes  
Are you gone, gone, gone?  
Tell me I'm wrong, wrong, wrong  
It's been so long, long, long  
Are you gone, gone, gone?

Though it seems that we were not meant to be  
I have to disagree, you are the one for me  
And I know someday we could find our way  
I hope it's not too late  
Please stay

Are you gone?  
Gone...are you gone? gone...  
It's been so long  
It's been so long

Are you gone, gone, gone?  
Tell me I'm wrong, wrong, wrong  
It's been so long, long, long  
Are you gone, gone, gone?
