

Overgrown

Kina Grannis

And I want you to know
I took it with me
That when things are thrown away like they are daily
Time passes and the constants stay

So if that is how it is
I don't wanna be a star
But a stone on the shore
A lone doorframe in a wall
When everything's overgrown
But what she really really wanted was my rights and my wrongs
And I wouldn't understand but I would try playing along

And I want you to know
I took it with me
That when things are thrown away like they are daily
Time passes and the constants stay

So if that is how it is
I don't wanna be a star
But a stone on the shore
A lone doorframe in a wall
When everything's overgrown
