**C#** **H/C#**  
I need to feel your heartbeat, heartbeat

so close, feels like mine -- all mine

**A** **G**  
I remember the feelings  
**A** **G**  
my hands in your hair, hands in your hair  
**A** **G**  
I remember the feelings  
**A** **G**  
the rythm we made, the rythm we made

**H** **A** **H** **A**  
I need to land sometime  
**H** **A** **H** **A**  
feel your heartbeat right next to me

right next to me
