Sublunary

King Krule

```
I was made for sublunary
I was made for sublunary
I'm not here, sublunary
I'm not here, sublunary
I'm not here
I'm not here, sublunary
I'm not here, sublunary
I'm not here, sublunary
I'm not here, sublunary
I was made for sublunary
And in shades of blue lunacy
```
