

## Don't Care

King's X

Lies, games, webs of pain  
Giving, taking, oh abuse  
Contention, extension, I will not be shamed  
Crossing the bridge, I'm on the way

I just don't care like I used to  
I don't care about you  
I just don't care like I used to  
I just care about

Blind, find peace of mind  
It's never what it really is  
Intention, rejection, little left away  
Crossing the bridge, I'm on the way

I just don't care like I used to  
I don't care about you  
I just don't care like I used to  
I just care about you

Such a tossing, to and fro, it's become clear to me  
I just want to see the real from the fantasy
