

Honesty

King's X

I don't know where to begin
Cause I can't tell the shape I'm in
I feel my face is to the wind
But I can't tell the shape I'm in
Honesty can kill
Honesty can heal
Honesty

I take my stay and then I go
But I can't tell so I don't know
If you are high, I must be low
But I can't tell so I don't know
Honesty can kill
Honesty can heal
Honesty
