

I Don't Know

King's X

I can see it's not the ending
Maybe it's my new beginning
'Cause I don't know what I was saying
I don't know

Who is looking in my mirror
Thought he knew things so much clearer
But I don't know what I was saying
I don't know

Please forgive me if I ever said to you
Anything pretending
That I knew what you should do
'Cause I don't know what I was saying
I don't know me anymore

Did I say you need forgiveness
Tell me that it's not my business
'Cause I don't know what I was saying
I don't know

Yeah I know it's not the ending
Feels just like a new beginning
'Cause I don't know what I was saying
I don't know

Please forgive me if I ever said to you
Anything pretending
That I knew what you should do
'Cause I don't know what I was saying
I don't know me anymore

Ahh...
