

# Stay

King's X

Said the whisper to the secret  
Man I never heard a thing  
Don't we ever think of something?  
We get over everything

(Stay with me)  
Only if you want me to  
(Stay with me)  
Only if you need me to  
(Stay with me)  
It's alright  
(Tonight)  
Tonight  
(Tonight)  
Tonight

Said the secret to the whisper  
Don't mean a thing to me  
Have you ever been a puppet?  
And have you ever been deceived?

(Stay with me)  
Only if you want me to  
(Stay with me)  
Only if you need me to  
(Stay with me)  
It's alright, it's alright  
(Tonight)  
Tonight  
(Tonight)  
Tonight

(They want to, what more I need)  
(Search, I, them)  
(Stay)  
If you stay  
(Stay)  
If you stay

(Stay with me)  
Only if you want me to  
(Stay with me)  
Only if you need me to  
(Stay with me)  
It's alright, it's alright  
(Tonight)  
Tonight, yeah  
(Tonight)  
Oh, woah-oh-oh

(Woah-oh-oh)  
Yeah, only if you want me to  
(Woah-oh-oh)  
Only if you need me to  
(Woah-oh-oh)  
Just one night, just one night  
(Tonight)

Tonight, yeah
