

## Hallway Of Dreams

Kingfisher Sky

Watch how she sleeps in a hallway of dreams  
See how the leaves will take rest at her feet  
Last night she dreamt of a way out of there  
Now she must search for some old rag to wear

Sell your soul, sell your dreams  
Empty your head, sell your dreams  
Nobody cares if she lives, if she dies  
See bitter memories that burn in her eyes  
All that she hoped for is vanished and gone  
Under the bridge where her life just goes on

Sell your soul, sell your dreams  
Empty your head, sell your dreams

Sell your soul, sell your dreams  
Empty your head, sell your dreams
