

# Miles Away

Kip Winger

So this is love  
Or so you tell me  
As your walking  
Out the door  
The months go by  
And know for certain  
It's not the love  
I'm looking for

But sometimes just for a moment  
I reach out, hope you're still there

Miles away  
No you're never turnin back  
and I just can't wait anymore  
Miles away  
Nothing left of what we had  
Just when I needed you most  
You were miles away

It's hard to tell  
What you're going through  
You kept your feelings locked  
Inside of you  
Open your heart  
And chances are  
What you're feeling  
I'm feeling too

If only, just for a moment  
Hold on to the dreams that we had

Miles away  
No you're never turning back  
and I just can't wait anymore  
Miles away  
Nothing left of what we had  
Just when I needed you most  
You were miles away

When times were tough  
And you were down and out  
Who was there by your side  
But now you're gone and I'm  
So tired of being alone  
With only your promises

The loneliness just fades away  
Thoughts of you just memories  
No cryin' now for what we're missin'  
Time won't forget what you meant to me

If only for a moment  
Hold on to the dreams that we had

Miles away  
No you're never turning back

And I just can't wait anymore  
Miles away  
Nothing left of what we had  
Just when I needed you most  
You were miles away
