

# One Big Game

Kip Winger

As the sun sets  
Close the curtains  
Breathe a world in your head

As the moon lets  
In your demons  
Sweat it out in your bed

As the day breaks  
Trust illusion  
To keep your mind ill at ease  
Never let your  
Deepest fear roll  
Very far off your sleeve

Now you're between  
Wake and dream  
What's the difference  
All the same  
Different frame  
Is it real or  
One big game

As the sun burns  
Through your freedom  
Confess your life to the sky  
If the moon bleeds  
While you're dreaming  
Cross your heart hope to die

Now you're between  
Wake and dream  
What's the difference  
All the same  
Different frame  
Is it real or  
One big game

Now you're between  
What you gonna do  
What you gonna do  
You can't find yourself in this  
What you gonna do  
What you gonna do  
What you...
