

# Stupid Heart

Kira Isabella

I shouldn't listen when  
You're sayin' just pick up the phone  
I should know better than  
Lettin' it get to me when I'm sittin' home alone but

Sometimes it gets me in trouble  
It's alright when it's not

My stupid heart  
Always makin' me fall  
And lettin' me fall apart  
Like a fool I always come runnin'  
Right back to you  
Back to your door  
Don't know what for  
Think by now I'd know  
The difference between  
Bad news and love  
Damn my stupid heart  
(Damn my stupid)

I wish it didn't think  
Love is like it is in the movies  
It's like you don't believe  
That maybe you are really good for me, oh-oh

Sometimes it gets me in trouble  
Say it's changed, say it's different when it's not

My stupid heart  
Always makin' me fall  
And lettin' me fall apart  
Like a fool I always come runnin'  
Right back to you  
Back to your door  
Don't know what for  
Think by now I'd know  
The difference between  
Bad news and love  
Damn my stupid heart  
(Damn my stupid)  
My stupid heart  
(Damn my stupid)

Oh, sometimes it gets me in trouble  
It's alright when it's not

My stupid heart  
Always makin' me fall  
And lettin' me fall apart  
Like a fool I always come runnin'  
Right back to you  
Back to your door  
Don't know what for  
Think by now I'd know  
The difference between  
Bad news and love

Damn my stupid heart  
(Damn my stupid)  
My stupid heart  
Damn my stupid heart
