

# Came Here For Something

Kirko Bangz

Are you coming through now?  
Are you gonna be coming late?  
Me I'm just sipping  
I really ain't tripping  
You do what's wrong  
Some bitches even, yeah

Shorty put yo hand on me  
I know you got a plan for me  
Don't act like you ain't came for me  
And everything you got I need  
Girl I'mma make you comfortable  
Enough to give yo body to me  
Girl I'mma make you comfortable  
Enough to spend the night with me  
And when I wake up in the morning I want pork chops and eggs baby  
Wake up in the morning I want pork chops and head baby  
Bay we ain't got no time  
For love songs and conversations  
Why you playing baby

Cause I known you came here for something  
Don't act like you don't want it  
Girl you know why you came through  
Let me show you how much I fuck with you  
Got your legs wide open now  
Got your legs wide open now  
Kissing yo body and I'm going down  
Now baby I'mma slow it down  
You say I like the way you handle me  
And the way I make them hands leap  
Say you used to have fantasies  
But tonight you're right here with me

Say baby you can take yo time  
You got all night girl to the side  
But if you wanna take this right  
Then pull them panties to the side  
I wanna meet your inner free  
I wanna meet the side that you don't ever show  
I'm sipping on this Hennessy  
Trying to see how long it takes to lose some clothes  
Cause I know you came here for something babe  
Came here for something babe  
Tonight I'm trying to fuck you  
I ain't came here for nothing babe  
This song for the girls that can't relate  
I ain't saying I fuck you babe  
Girl you fucking crazy, oh yeah

Cause I known you came here for something  
Don't act like you don't want it  
Girl you know why you came through  
Let me show you how much I fuck with you  
Got your legs wide open now  
Got your legs wide open now  
Kissing yo body and I'm going down

Now baby I'mma slow it down  
You say I like the way you handle me  
And the way I make them hands leap  
Say you used to have fantasies  
But tonight you're right here with me

We just gonna be fucking baby  
Say please don't catch no feelings baby  
Say we just gonna be fucking baby  
Don't tell me how you feeling baby

I don't wanna take my time  
I don't wanna wine and dine yeah  
I don't, I don't wanna wine and dine yeah  
I don't wanna take my time  
I don't wanna wine and dine yeah  
Dine yeah, I don't wanna wine and dine yeah  
I don't wanna take my time  
I don't wanna wine and dine  
I don't wanna tell you all the things that I feel inside  
I don't wanna take you out  
I don't wanna tell yo body  
The things I did last night  
Cause I don't, I don't want you to feel like  
It's just another night yeah  
Yeah I may be drunk, but I'm protected  
And whenever I'm drunk  
My stroke perfected  
But don't want yo to fall ion love  
Don't want you to call me up  
Don't want you to text me or call me on holidays  
I came here to fuck withcha  
Don't need you to check on me  
Don't need that stress on me  
Here to get the best of me  
Know you gonna think less of me  
Don't need you to know my real name  
Don't need you to know my real name  
Girl gonna be taking them bitches and pose them main  
Don't need that exposure man

Cause we just gonna be fucking

Don't need no kiss and hugging  
Cause we just gonna be fucking

I ain't gonna fuck you like I miss you now babe  
And when we fuck I ain't gonna miss you now babe  
And when I see you we gonna fuck that sound babe  
Say I'm so young and you so young  
Let's have some fun, can't be that one

I don't want that serious shit  
You don't want that serious shit  
I don't wanna, you don't wanna  
I don't wanna deal with that shit  
So let's keep it real real quick  
I don't wanna take you and show you off at the club

We meet up after the club  
I don't care you could pick all of these athletes up  
All of these rappers up  
You ain't gotta tell me nothing, you ain't gotta tell me nothing  
But girl don't you exit by none of the girls I'm with  
Cause I may go tell you one  
And I don't wanna come off wrong  
I don't wanna come off strong  
I don't wanna, I don't wanna, I don't wanna  
Take you home  
Cause you try to stay too long  
Yeah I may be drunk but I'm protected baby  
And whenever I'm drunk I stand protected baby

If we just gonna fucking  
Then we just gonna fucking  
Don't need no kiss and hugging  
Cause we just gonna be fucking  
Yeah we just gonna be fucking  
Don't need no kiss and hugging  
Cause we just gonna be fucking  
I ain't gonna fuck you like I like you now babe  
I ain't gonna fuck you like I miss you now babe  
And when we fuck I ain't gonna miss you now babe  
And when I see you we gonna fuck that sound babe

Say I'm so young and you so young  
Let's have some fun, can't be that one  
I'm in the studio and I ain't tripping baby  
I'm in the studio and I ain't tripping baby  
Young nigger in the studio and I ain't tripping baby  
I'm in the studio and I ain't tripping baby

These girls all understand me  
And these niggers they can't stand me  
I've been holding H town down for so long  
You ain't gotta tell me I'm the man here  
My hoes don't wear no trust  
Man I ain't never kept no panties  
And when it comes to hoes in Huston  
I didn't fuck the baddest  
But I'm in the studio so they ain't tripping baby  
In the studio so they ain't tripping baby  
I said I'm in the studio but she ain't tripping baby  
Young nigger in the studio but she ain't tripping baby  
This old bitch wanna fuck me  
And she tell me that I'm lucky  
And she said she ain't gave her pussy  
To no body but her husband  
But I got internet she filming  
She say this shit feel like heaven  
And the crazy part about this shit  
Her husband is the reverend  
But I'm in the studio  
I'm in the studio so I ain't tripping baby  
And one of my Asian wood ain't gripping baby  
And when she in the A she would grant gripping baby  
I say I'm in the studio I'm trying to get it baby  
She try to fuck me in the studio but she ain't tripping baby  
Oh yeah
