Bitches all around me, man, I feel like I'm the man

My paint wet, her pussy wet, my ice wet
My neck wet, my wrist wet, your bitch wet
I'm in the crowd, I'm goin' hard
I'm talkin' shit, I'll pull your card - I'll take your broad
She make me rich, I disrespect
I disrespect, I disrespect, I disrespect, I disrespect, I disre
spect
I'm in the crowd, I'm goin' hard
I'm talkin' shit, I'll pull your card - I'll take your broad
She make me rich...

Say, I got bitches all around me, man, I feel like I'm the man
Posted in my section, sippin' liquor, poppin' bands
Got your bitch in my pants - posted up with my band
And all my niggas, they play the flute, and they'll blow your a
ss to Japan
I don't fall in love with no fan - I just send her home to her
man
She fuck with him to get bread - and she fuck with me to go HAM
I'll let niggas know I never been a hoe, I sweat real shit from
my glands
And if I want the bitch, I could take the bitch, but I'd rather
sip on this Hen
There's tattoos on my arms, tattoos on my hands
Got a paralyzed bitch talkin' 'bout she'll fuck me right where
I stand
I'm 'bout to cop me a foreign - 'bout to cop me a Lam
Gold chains like Raekwon and I'm paid in full, goddamn...

Champagne shower in the club, time to celebrate
'Bout to cop that new 4-58, make 'em really hate
Shorty wanna fuck a real nigga, yeah, that pussy leakin'
Fuck her good, fuck up her household, man, they ain't even spea
kin'
I'm so disrespectful, it should be a damn shame
I'm so disrespectful, put a hundred in a chain
And I'm so disrespectful, on this track with Kurt Cobain
Pull up beside you at the lights - disrespect your lane
My car fast, my bitches bad, my niggas thuggin'
Smokin' gas and blowin' cash
And if you disrespect the mob, then it's your ass
Bitch, you done fucked too many rappers, so I'll pass...
