

# Had Two

Kirko Bangz

"You mind if I play something for you?"

Thought you was the only one  
Even though she had two  
Every time she bought you something  
Even though she bought two  
Shawty say she made you play  
Even though she made two  
Even though she came through  
Even though is that you...

You ain't the only one nigga  
I hate to break it to you  
You ain't the only one nigga  
Your bitch ain't faithful too you (No)

Nigga you thought she had one  
Even though she had two  
Even though she fuck with me  
The same time she fuck with you  
Even though she fuck with lame niggas and dope boys too  
Even though she roll swishas and hit leaks before school  
You wouldn't think that she a freak  
You wouldn't think that she'll speak  
To a muhfuckin' nigga that sale dope and run the streets  
Had her buying shit for you  
Cos she was buying shit for me  
While she ridin' home to you  
She crying over me  
You wouldn't think that she'll fuck  
You might think that she in love  
You wouldn't think that he was suckin' dick and fuckin' at the club  
You might think that she at the crib takin' notes and writing books  
Instead she in the hood talkin' shit and lighting up (Yeah)  
You wouldn't think she know a G  
You wouldn't think she like me  
You wouldn't think she'd be in my Lambo suckin' the life off out of me  
You wouldn't think that she a player  
But the dick bring it out  
Every time she fuck he tell me bout your plug and about your spark

Thought you was the only one  
Even though she had two  
Every time she bought you something  
Even though she bought two  
Shawty say she made you play  
Even though she made two  
Even though she came through  
Even though is that you...

You ain't the only one nigga  
I hate to break it to you  
You ain't the only one nigga  
Your bitch ain't faithful to you (No)

Said, you ain't think she could do wrong  
No she had two phones

Notice her perfume was so strong  
Whenever she came home  
I bet that you ain't know I was her cousin  
Know I was her brother  
Know I was her trainer  
We do yoga at L.A Fitness every Monday  
Go to church when she's with you  
Strip clubs with me  
She fantasize with you  
She throw them horns with me  
I'm like Hallelujah  
Nigga ain't know there's two of us  
Look at all the shit he do for us  
We might as well stay together  
Play 2K while she cook for us  
I promise I won't beat the Heat  
I keep the air on 73  
And I'll put down the toilet seat  
But this restroom for you and me  
You don't wanna use the one upstairs  
Because the sink is full of hair  
You go with her to go do her nails  
I stay at home and watch Dave Chappelle  
I might think I don't need you  
And you think you don't need me  
But I know that she need you  
In places she don't need me  
Like hittin' the mall and holdin' hands  
Doin' all the simple things  
While I fuck her good  
Talk to her bad  
Do all the real nigga things

Thought you was the only one  
Even though she had two  
Every time she bought you something  
Even though she bought two  
Shawty say she made you play  
Even though she made two  
Even though she came through  
Even though is that you...

Is that you ain't the only one nigga  
I hate to break it to you  
You ain't the only one nigga  
Your bitch ain't faithful to you (No)

Said these girls so player  
These girls so player  
Said these girls so player  
And these niggas need to stop acting so gay  
Said these niggas need to stop acting so gay  
Cos these girls only wanna fuck a nigga like me  
And these girls gon' do anything that I say (I say)
