

Love Rihanna

Kirko Bangz

I know I love Rihanna
I wanna play with her monkey
Yeah I heard she just got one
Feed it bananas in public
Don't wear Banana Republic
I like the way she be thuggin'
I like the way she be talking like she ain't change for the money
I got her face on my wall
Wanna put my face in her walls
Wanna redecorate everything girl I love when they tall
So keep them heels on I'm real long
You got a attitude we'll get along
I like a crazy bitch doing crazy shit
Say I'm too young well come babysit me girl

Say my name say my name
Girl I heard about you
I'm tryna see if it's all true and I don't feel ashamed
Say my name say my name
When you looking for some playa shit that can we call up Draya shit c
ause 3 is better mayne
Say my name say my name
I beat it out the frame girl
Make you catch a plane girl down to Houston mayne
Say my name, say my name
Say my name, say my name

I'm the type to get you right
I'm the type to go all night
I'm the type of nigga yo friends gon' love but girl I ain't that nice
I'm the type to give advice when yo nigga ain't treating you right
Ain't the type to buy no flights but girl you rich so you get mine
I'm just playing less you bout it
Sex on a jets let's catch a private
To wherever you come from cause I ain't never seen the islands
And girl I ain't gon' lie I ain't even ever seen Hawaii
And don't wear no bikini I wanna appreciate yo body
And ride on me just the way they dance off in yo country
Or ride on me like we off in Texas in the country
And I don't really smoke but girl for you I turn a puff it
As long as you gon' feed me pussy when I get the munchies, oh yeah

Say my name
