

Keep Your Hands Off My Baby

Kirsty MacColl

We've been friends for oh so long
I let you share what's mine
But when it comes to the boy I love
It's time to draw the line

Keep your hands off my baby
I ain't gonna tell you not one more time
Keep your hands off my baby
Will you get it through your head
That boy is mine

I don't mind lending you my clothes
My jewelry and such
But honey let's get something straight
There's one thing you don't touch

Keep your hands off my baby
I ain't gonna tell you not one more time
Keep your hands off my baby
Will you get it through your head
That boy is mine

Keep your hands off my baby
I ain't gonna tell you not one more time
Keep your hands off my baby
Will you get it through your head
That boy is mine

Keep your hands off my baby
That boy is mine
