

Angelina

Kitten

Highway riding down the 101
Why you crying baby that's no fun

You should take what you get
Cause you make me upset
When you're so ungrateful like that
Riding down the 101

Top down, Pasadena
Got my feeling like a young Angelina
Got the radio on, Christina
Got me feeling like a young Angelina
Angelino, Angelina
Angelino, Angelina, Angelino
Angelino, Angelina

Xanny poppin down the 405
I know you're trying just to get through life

And the world is a mess
but it helps me forget
When the sun is setting like that
Riding down the 405

Top down, Pasadena
Got my feeling like a young Angelina
Got the radio on, Christina
Got me feeling like a young Angelina
Angelino, Angelina
Angelino, Angelina, Angelino
Angelino, Angelina

Top down, Pasadena
Got my feeling like a young Angelina
Got the radio on

Top down, Pasadena
Got my feeling like a young Angelina
Got the radio on, Christina
Got me feeling like a young Angelina
Angelino, Angelina
Angelino, Angelina, Angelino
Angelino, Angelina
