

## Cut It Out

Kitten

Book ... all these thoughts could wanna be  
More like me  
24 years and out of town  
Running on fire and you making it frown,  
Sleeping all day with the radio on  
Local jobs and ...on, ... on

[Chorus]

Give me the lights now, let me breathe  
Keep my face warm you're all I need  
Leave the lights on, you're all I see  
Getting wasted, you're all I need,  
Oh, oh, oh,

Follow cars and follow you  
Living large, it was true, it was true  
Found your peace, I'll salute...  
Monster for you, monster for you

[Chorus]

Give me the lights now, let me breathe  
Keep my face warm you're all I need  
Leave the lights on, you're all I see  
Getting wasted, you're all I need,  
Oh, oh, oh,

Just let me breathe, just let me breathe, just let me breathe  
Just let me breathe, just let me breathe, just let me breathe  
Just let me breathe, just let me breathe, just let me breathe

[Chorus]

Give me the lights now, let me breathe  
Keep my face warm you're all I need  
Leave the lights on, you're all I see  
Getting wasted, you're all I need,  
Oh, oh, oh.
