

Career Suicide

Kittie

Vindiction bleeds you
From every pore
Until hope runs out
Until my feet leave the
Floor
The first trance of
That too familiar feeling
Smiles and daggers
Hearts are bleeding

Don't say no
I'll soon know

Convictions see you through
Are you all you know?

Your faded costume is
Wearing thin
Was there no comfort in
Your own skin?
You always were slow
Learner inside your ugly
Living lies
Tell yourself that
Next time you cry

Don't go
Don't go
Don't go
Don't do it
