

Choke

Kittie

You're hidden by
Your good looks, your fake smile
I loved you, but it took me a long while
To realize you don't even care
All the feelings, you had none
There's only one word that describes you,
And that's hypocrite

I looked over you, I looked over me
Look at you and smile, you fucking pedophile
I looked over you, I looked over me
Look at you and smile...

Pedophile! Seduction! Tied down!
Decapitation! Torture! Oh!
You're not my friend! This is the end!
Suck me!

My eyes would never dry,
It's all done
It wasn't real and all,
But it was fun
Was I not good enough for you king?
Was I not good enough for you king?
Was I not good enough for you king?
I guess not

I looked over you, I looked over me
Look at you and smile, you fucking pedophile
I looked over you, I looked over me
Look at you and smile...

Pedophile! Seduction! Tied down!
Decapitation! Torture! Oh!
You're not my friend! This is the end!
Fuck you!

You're not the king, you never will be!
How could you say that you liked me?
You're not the king, you never will be!
How could you say that you liked me?
You're not the king, you never will be!
How could you say that you liked me?

You're not the king, you never will be!
Hope you choke!
