

Bimbo

Kitty Wells

Bimbo, Bimbo, where ya gonna go
Bimbo, Bimbo, whatcha gonna do
Bimbo, Bimbo, does your mommy know
That you're goin' down the road to see a little girl

Bimbo is a little boy who's got a million friends
And every time he passed by they all invite him in
He'll clap his hands and sing
And dance and talk his baby talk

With a hole in his pants and his knees stickin'
Out he's just big enough to walk
Bimbo, Bimbo where ya gonna go

Bimbo's got two big blue eyes that light up like the stars
And the way to light them up is to buy him candy bars
Cracker jacks and bubble gum will start his day off right
All the girlies follow him just a beg him for a bite

Bimbo, Bimbo, candy on your face
Bimbo, Bimbo, chewin' on your gum
Bimbo, Bimbo when you gonna grow
Everybody loves your little bitty Bimbo

You never catch him sittin' still, he's just the rovin' kind
Although he's just a little boy, he's got a grown up mind
He's always got a shaggy dog a pullin' at his clothes
And everybody called to him as down his feenie goes

Bimbo, Bimbo, where ya gonna go
Bimbo, Bimbo, whatcha gonna do
Bimbo, Bimbo, does your mommy know
That you're goin' down the road to see a little girl
