

Heavenly Sunshine

Kitty Wells

Heavenly sunshine, heavenly sunshine
You make me happy 'cause your love is mine.

I've searched for words of sweet description too best describe
The thrill it gives me just to have you by my side.
But I can't find one single word that properly defines
How sweet it is just knowing that all your love is mine.

Your love is heavenly sunshine, heavenly sunshine
You fill my heart with your sweet love devine.
Heavenly sunshine, heavenly sunshine
You make me happy 'cause your love is mine.

The colors in a rainbow are a lovely sight to see
But even rainbows lose their glow when you smile at me
And when you kiss me I can hear a thousand bluebirds sing
No matter how that sounds the words could only mean one thing.

Your love is heavenly sunshine, heavenly sunshine
You fill my heart with your sweet love devine.
Heavenly sunshine, heavenly sunshine
You make me happy 'cause your love is mine...
