

# Oh So Many Years

Kitty Wells

All these many years I've loved you  
No one has ever known  
No one has ever known but you a lone  
I've kept it locked inside my heart  
And smile through all my tears

My darling I have loved you oh so many years  
Each night within my lonely room  
I'll cry dear over you  
And pray to God our plans will turn out right  
But when the dawn of day appears  
I'll brush away my tears

My darling I have loved you oh so many years  
I'll go on pretending that my life is oh so gay  
And happy dear without you by my side  
When all the time my heart is longing just to have you near  
My darling I have loved you oh so many years  
Maybe fate will lead us down a path  
Where we will meet again

And then we'll both be free to love a new  
Then one sweet kiss from your dear lips  
Will vanish all my fears  
My darling I have loved you oh so many years
