

Shape Up Or Get Out

Kitty Wells

Playboy Charlie where you stayed last night
Came home this morning sun was shining bright
Blood shot eyes and mouth full of lies I'm fed up with your alibi
You know and I know you don't treat me right
I married you for love and all we do is fuss and fight
I'm no dumb dumb I know what it's about
You better shape up or you're gonna get out

You stay out from midnight till dawn it doesn't hurt you cause
I'm home alone
If you were me you wouldn't do me this way this is a game daddy
too can play
You know and I know

You know and I know
