

# Sinner Kneel Down And Pray

Kitty Wells

If from the past you have gone astray  
And at times you cannot see the way  
Can't you hear the Lord? He's calling you today  
Oh, sinner kneel down and pray

Oh, sinner just kneel and pray  
The Lord will hear your prayer today  
Oh, sinner kneel down and pray  
Pray to the Lord, your soul will be saved

You may not have a friend in our wicked world of sin  
If you turn to Jesus he'll take you in  
Won't you listen to me? Just listen when I say  
Oh, sinner kneel down and pray

Oh, sinner just kneel and pray  
The Lord will hear your prayer today  
Oh, sinner kneel down and pray  
Pray to the Lord, your soul will be saved
