

# Touch My Heart

Kitty Wells

Touch my heart feel the hurt it's destroying me  
I've tried but can't seem to shake his memory  
Touch my heart feel the hurt the pain and misery  
And tell me again what love can do for me

If you lived in my world awhile you'd soon forget how to smile  
In my world there's a million ways to cry  
If you had my eyes you could see how someone changed my destiny  
I'm a girl who can't live and yet can't die  
Touch my heart...
