Klingande

Oh good lord, you got me sold with champagne dreams tonight  
You know I feel it, and I want it, and I need it, yeah yeah  
I said oh good lord, you got me sold, hey when can we collide?  
Shout when you feel it, when you want it, when you need it, yeah

See I been lookin for a piece of heaven  
So come on, preach it, sugar, show the way

I said baby take me higher, higher  
Won't you be my messiah, oooh oooh  
Messiah, oooh oooh  
I said baby take me higher, higher  
Won't you be my messiah, oooh oooh  
Messiah, oooh oooh

(Won't you be my messiah)  
Be my messiah, oooh oooh  
Messiah, oooh oooh

Be my messiah

Oh my god, you shake my soul, I need your holy wine  
I wanna breathe it, wanna feel it, wanna need it, yeah yeah  
I said oh my god ya shake my soul, your smoke is so divine  
I really feel it, really want it, really need it, yeah

See I been lookin for a piece of heaven  
So come on, preach it, sugar, show the way, yeah

I said baby take me higher, higher  
Won't you be my messiah, oooh oooh
