

# Scarecrow

Klone

Bound and gagged  
Blindfolded  
Tortured and  
So abused  
Paralyzed  
Mesmerized  
Tied up in barbwire

My pride  
Integrity  
Self esteem  
Sanity  
Ripped apart  
Scared for life  
These wounds will not heal

You made me your fucking scapegoat  
I'll become your scarecrow

Submitted  
But conscious  
I swallowed  
My anger  
As you raped  
My innocence  
'Till I broke the leach

Nothing  
Can ease  
My pain  
Now I 've  
Found my  
Antidote  
You will taste my poison

You made me your fucking scapegoat  
I'll become your scarecrow

I'm no longer your fucking slave...you see  
The puppet has grown up  
The strings are gone...I'm free  
You ain't shit to me  
You always used to be  
(n') I spit on your name  
(n') I'll piss on your grave

Rage  
Revenge  
Punishment

(I'll become your scarecrow)
