## KNOC-TURN'AL

Fear no man or no motherfucking clan nigga, ha  
Fear no mob  
Fear nothing but God  
Ya know I walk through the shadows and ride through the valley of death  
I will fear not because I am evil

It's like a jungle sometimes  
It makes me wonder how I keep from going under  
(4x)

I thought we declared peace in the Middle East  
How the fuck we got beef in the Middle East  
Nigga, this isnt a terrorist threat  
It's a motherfucking promise you will never forget  
I'm a send the statue of liberty back to France in a body bag  
Broke it in half you fucking fag

Introduce you to this mack, come on meet this A.K  
Whatever gun I got at hand I'm gon' spray

I'm a live my life  
However I want to  
I'm a hustle day and night  
However I want to  
I'm a stay on the grind  
However I want to  
I'm a keep getting mine  
However I want to  
Spend money on the trip  
However I want to  
Make the six-tray dip  
However I want to  
I'm a fuck that bitch  
However I want to  
I'm a keep getting rich  
However I want to

I don't respect presidents unless he dead  
They can feed my wife and daughter and keep the homies fed  
Stay on top of game and dodge the feds  
No bullshit involved, no politics  
I put in work while you pop your lips  
I ride for this, a soldier in this bitch, nigga

You can tell G. Dubya Bush  
That he need to get some head and smoke some cush

I'm a live my life  
However I want to  
I'm a hustle day and night  
However I want to  
I'm a stay on the grind  
However I want to  
I'm a keep getting mine  
However I want to  
Spend money on the trip  
However I want to

Make the six-tray dip  
However I want to  
I'm a fuck that bitch  
However I want to  
I'm a keep getting rich  
However I want to
