

## Faster Harder Scooter

Knorkator

Let's go out for a walk to the other side  
Get the sound, join the crew and you feel alright  
No more fiction go back to reality  
It's the message so listen and you will see  
No illusion the spirit is what you feel  
Get the volume tonite, you can make it real  
I explain once again, we won't let you down  
That's what I pronounce

We're getting Faster, Harder, Scooter

From Japan and Brazil to the U.S.A.  
Let me ask you if there is a better way  
I believe reminiscing the time we had  
Don't you know we just want you are going mad  
No bad rumors or charges could make us stop  
Now the time has come we will reach the top  
I explain once again we won't let you down  
That's what I pronounce

We're getting Faster, Harder, Scooter
